The screenshot shows a 'Document Details' panel with a close button (X) and a user icon. The 'Dictated For' field has a magnifying glass icon to its left. A vertical toolbar on the right contains icons for document details, a group of people, and a document with a notification badge.

When in a new document, click on the Document Details tab

Click on the magnifying glass beside the “Dictated For” field.

This close-up shows the search input field with the placeholder text 'Search last name, first name'. To the right of the input are a magnifying glass icon and a person icon with a plus sign.

Search and choose the physician for whom you are dictating.
